Graphic, Web & UIUX Designer

Hii,
I am Prasd Khot

With 5 years of experience in Graphic, Web & UI UX Designing, I specialize in crafting visually compelling and user-friendly designs that bring brands to life. My skill set includes proficiency in Adobe Photoshop and Figma, along with a basic understanding of CorelDRAW and Illustrator, allowing me to create engaging visual content. I am also well-versed in HTML, CSS, and Bootstrap, which helps ensure a smooth transition from design to development.

Over the years, I've worked on a variety of projects, designing websites and software interfaces for diverse clients and delivering tailored, high-quality solutions. I am passionate about transforming ideas into impactful designs that resonate with users and elevate brand presence. Let's collaborate to create something amazing! Following are my creative works from the past 5 years that showcase my design journey and vision.
